

# UNITOP

*Innovative Solutions for the Energy Sector*

**UB UNITOP**

UB UNITOP is a robustly designed ramp barge, entrusted with a substantial deck loading capacity of 800 tons, signifying its heavy-duty operational prowess since 2002. Registered in the bustling port of Lagos, this vessel stands out with a considerable length of 35.71 meters, a breadth of 9.84 meters, and a depth of 2.67 meters, ensuring a stable and efficient load management. Prioritizing crew safety above all, the UB UNITOP mandates the use of life jackets for all on board, alongside being equipped with life buoys, ready for service in the dynamic maritime industry.
